Inland Empire Manufacturers Summit Summit Panel Announced

The Manufacturers' Council is honored to present the renowned panelists for its 2012 Inland Empire Manufacturers Summit:

Moderator: **Barbara Halsey**, Executive Director, California Workforce Association

Expert panel:

- **Fletcher Davidson**; Group Vice President, Customer Services Division; Toyota Motor Sales, U.S.A., Inc.
- **Mike Gallo**, President and CEO, Kelly Space
- **Brett Guge**; Executive Vice President, Finance and Administration, and Corporate Secretary; California Steel Industries
- **Kathy Hoss**, Regional Manager, California Manufacturing Technology Consulting
- **Dr. Henry Shannon**, Superintendent/President, Chaffey College
- **Walter Stender**, President and CEO, Arnold Engineering

These experts in their respective fields will share their stories and discuss issues of concern to local manufacturers.

And just exactly who decides what topics these experts will cover? We are hoping you'll help us figure that out. Please take a moment and [tell us what concerns you hope our panelists will address in their presentations](#). And if you give us your contact information, you'll have a chance to win two tickets to our event! The winner will be announced at our next broadcast. Want more chances to win?
