

GORDON BRUSH RECEIVES COMMENDATION FROM CALIFORNIA ASSEMBLY

COMMERCE, CA – September 23, 2013. Gordon Brush is proud to announce that the company has received a "*Certificate of Appreciation*" from the California State Assembly. The certificate, sponsored by the honorable Cristina Garcia, Member of the Assembly, 58th Assembly District, California State Legislature, honors Gordon Brush for "providing quality American made products".

Company President and CEO, Ken Rakusin, said, "it is a great honor to receive this certificate from Assemblywoman Garcia and the State Assembly. The certificate acknowledges Gordon Brush's commitment to making high quality American made products in our Commerce manufacturing facility". Moreover, said Rakusin, we are proud to be an American manufacturer and our decision to maintain our plant in Commerce, CA, resisting the temptation to relocate to another state or off-shore".

The Company is also recognized by California Manufacturing Technology Consulting ("CMTC") as part of their Made in California Program. CMTC is a non-profit consulting company whose mission is to create solutions for the improvement of our customers' performance by fostering innovation and sharing knowledge.

In addition, Gordon Brush is featured on many American and USA made websites: American Made Matters, Made in America Movement, 4 Days for America, Americans Working, Still Made in the USA, Made Here in America, I Buy American Store.
