

Light Up Marble Racers Win Toy of the Year *from Creative Child Magazine*

Skulduggery is proud to announce that **Light Up Marble Racers** have won **2010 Toy of the Year** from **Creative Child Magazine**. This unique new product was introduced at the 2010 Toy Fair in New York, and has quickly become a top seller.

There is nothing like them on the market: Kids, 3 years and older, customize Marble Racers with themed, crack & peel racing decals, race their creations on standard tracks, and then watch as the flashing LED marble rolls to keep pace with their speeding car. They look especially cool in the dark!

They are available in 12 pack assortments (clip strip or loose) or 32, 36 or 40 pack assorted power wings.

The holiday gift buying season is approaching fast. Don't miss out on your chance to take advantage of these hot selling award winners. Fax, call or email your order in now!
