

Proclamation

National Manufacturing Day

Friday, October 1, 2021

Whereas, the first Friday in October is designated as National Manufacturing Day and was created as an opportunity to recognize and celebrate the contributions of manufacturing in the United States; and

Whereas, California has the largest number of manufacturers in the nation with representation across virtually all manufacturing sectors, CMTA and its partners celebrate October as Manufacturing Month CA; and

Whereas, due to these efforts, manufacturers throughout California will, in a coordinated effort, help illustrate what manufacturing is by participating in Manufacturing Month CA events designed to increase public awareness of modern manufacturing and the great career opportunities manufacturing affords; and

Whereas there are more than 200 manufacturers in the City of Carlsbad, employing more than 13,500 employees, and contributing more than \$5.25 billion to our local economy; and

Whereas, through invaluable efforts and dedication, our region and our city have helped communities and future generations of manufacturers;

NOW, THEREFORE, I, MATT HALL, Mayor of the City of Carlsbad, and the entire City Council, do hereby proclaim Friday, October 1, 2021 National Manufacturing Day and October 2021 as Manufacturing Month CA in the City of Carlsbad.
