

FOOD SAFETY CERTIFICATION FOR SPECIALTY CROPS

Overview

The Food Safety Certification for Specialty Crops (FSCSC) Program provides assistance to specialty crop operations that incurred eligible on-farm food safety program expenses in 2022 and 2023.

These operations incur significant costs to comply with regulatory requirements and market-driven food safety certification requirements each year with little opportunity to recover increased costs.

Who is Eligible?

To be eligible for FSCSC applicants must meet the following:

- Be a specialty crop operation;
- Have obtained or renewed a:
 - 2022 food safety certification that was issued between June 21, 2022 and December 31, 2022; or
 - 2023 food safety certification issued during calendar year 2023; and
 - Have paid eligible expenses;
- Meet the definition of a small business or very small business; and
- Be located in the United States, District of Columbia, the Commonwealth of Puerto Rico, Guam, American Samoa, the U.S. Virgin Islands, or the Commonwealth of the Northern Mariana Islands.

PROGRAM YEAR	ELIGIBLE CERTIFICATION DATE	APPLICATION DEADLINE
2022	June 21, 2022 - December 31, 2022	January 31, 2023
2023	January 1, 2023 - December 31, 2023	TBD

What Expenses are Eligible?

Specialty crop operations may receive reimbursement for developing an initial food safety plan, maintaining or updating an existing food safety plan, food safety certification, certification upload fees, microbiological testing, and training.

Specialty crop operations who obtain their food safety certification through a group model under a food safety management system are eligible for their share of eligible expenses paid by the group, in addition to any eligible expense incurred individually.

What Expenses are not Eligible?

Ineligible expenses include infrastructure improvements, equipment, supplies, salaries and benefits of employees, and fees or penalties for late payment.

What are the Maximum Payment Rates?
