EMI/RFI SHIELDING

**RND**  
ENTERPRISES

# *RND Enterprises specializes in the custom design and manufacture of electronic cable and harness assemblies*

**O**ur custom engineering department can take your drawings or ideas and turn them into valuable products, all within the shortest lead times in the industry. RND is committed to meeting our customers scheduling needs and will continue to deliver 100% tested, top quality products on time and at competitive prices.

INJECTION MOLDING

## **Serving All Industries**

- Electronic
- Medical
- Automotive
- OEM
- Commercial
- Military

## **Capabilities**

- Electronic cable assemblies
- EMI/RFI shielding
- Injection/Post molding
- In-House Design/Tooling
- Precision Laser Welding
- UL # E142077 and E148185

## ***RND has the in-house production equipment to meet your needs...***

- Cirris and Kikusui cable/harness testers for continuity, resistance and Hi-Pot
- Autojectors injection molding machines
- Eubanks and Komax wire cutting/stripping machines
- AMP, Molex, Panduit, etc. contact presses
- Haas CNC machining centers
- Agietron and Charmilles EDM machines
- Lumonics laser welder
