

PRODUCT SPECIFICATION SHEET

XCAPER® EMERGENCY MASK & ACCESSORIES

The revolutionary moist Xcaper Emergency Mask delivers unparalleled protection by trapping 99.6% of particulate matter and absorbing Carbon Monoxide, Hydrogen Cyanide, Acrolein, Nitrogen Dioxide and Nitrogen Monoxide (*See detailed test results on our website.*) The Xcaper Emergency Mask uses

the same technology currently used by ten's of thousands of professional firefighters while fighting wildland fires and during the clean up process after structure fires. The Xcaper Mask is intended to protect your family, friends and employees in case of a fire, emergency or terrorist attack. The mask will work effectively for 30 minutes or longer (8 hours) depending on conditions. The Xcaper Mask may be worn right side up, upside down or even inside out. It is packaged in a vacuum-sealed foil pouch. The Xcaper Emergency Mask has a shelf life of five years.

XCAPER EMERGENCY MASK

The Xcaper emergency mask comes in a vacuum sealed bag to preserve its contents. It should be stored in a convenient location for easy access in an emergency. *Contents: One (1) Xcaper Emergency Mask; (Picture shows contents); Weight: 1.6 oz*

DRY SAMPLE MASK

The Dry Practice mask comes by-itself and is NOT contained in a vacuum sealed foil bag. It is to be used for training and practice drills only. Not for emergency use. *Contents: One (1) Xcaper Dry Sample Filter; Weight: 0.5 oz...No Picture*

XCAPER WALL UNIT

Sturdy wall unit made of clear acrylic is available with or without a hinged lid. The unit stores up to two Xcaper Masks and two pairs of Xcaper Goggles with plenty of room to add a small flashlight. The lid can be secured with a tamper proof seal. The Wall Unit can be secured to the wall with screws or double sided foam tape.

Size: 9" (H) x 6 7/8" (W) x 3" (D); Weight: 19.4 oz

XCAPER GOGGLES

One size fits all. The lens bends easily for compact storage and has an anti-fog coating. There is no visual distortion at the peripheral vision points despite the lens flexibility. The Xcaper goggles protect the eyes from smoke during escape and other airborne particulates. Packaged with a clear adhesive lens cover, that should be removed prior to use. *Weight: 0.5 oz*

XCAPER EMERGENCY KIT

This sturdy Hip Pack holds one Xcaper Mask, and one pair of goggles, LED Light (Burns for hours) & Whistle (with black lanyard). Made of heavy duty black Nylon Oxford, the Hip Pack has a well-built zipper opening. Additionally, it has Velcro® straps which may be fastened to a belt or around ones arm when using it in an urgent situation. This convenient basic kit has been the favorite of many corporations for their employees and for individuals as an emergency evacuation kit for home use or when traveling. Available in Black, the Hip Pack may be embroidered or silk-screened with a name or company logo for an additional charge. *Size: 8 1/2" (H) x 5 3/4" (L) x 1 3/4" (D); Weight: 3.1 oz*

MY XCAPER KIT

Kit includes: Xcaper Emergency Mask, Xcaper Goggles, My Xcaper Bag (6" x 9"). When filled with all items, the bag is only 1" thick. It fits easily in a purse, briefcase, backpack, etc. The kit also includes an LED Light (hours of burn time) & Whistle (with black cord lanyard). Available in Black with white pinstripes.
